

Privacy Statement

Date: 16-06-2022

This privacy statement is effective as of June 16, 2022. Please note that this privacy statement will regularly be updated to reflect any changes in the way we handle your personal data or any changes in applicable laws.

This page and its sub-pages tell you everything you need to know about how ZettaMine Labs Pvt. Ltd and/or its affiliates, subsidiaries and newly acquired companies ("ZettaMine"; "we") protect the personal data we process and control relating to you ("your personal data"; "your data") and which rights you have in relation to the processing of your personal data.

1. How does ZettaMine protect your personal data?

- At ZettaMine, we respect your right to privacy and protect your personal information. We want you to feel confident that when you deal with ZettaMine, your personal data are secure.
- Our privacy policies and applicable laws ensure that ZettaMine protects your personal data. Additionally, ZettaMine maintains the appropriate technical and organizational measures to protect your personal data against unauthorized or unlawful processing and/or accidental loss, alteration, disclosure, or access, or accidental or unlawful destruction or damage there to.

2. Which Categories of personal data do we collect & how do we process such data?

- Our website collects personal data from employees, potential employees, clients, suppliers, colleagues, shareholders, and business contacts. We will notify individuals (as required by law) of any additional data we plan to collect and how it will be used if it is not listed in this privacy statement.

Below is also a chart describing the categories of personal data we collect:

Category of personal information	Types of personal information captured or collected by category
Personal details, contact details	Name, pronoun, all types of identifiers & contact (such as e-mail, phone numbers, physical address) and occasionally when necessary for specific purposes, gender, DOB, place of birth
Commercial information	ZettaMine's history and records of products and services you've obtained. The correspondence between you and us sent to a dedicated mailbox or via other electronic communication channels (including those supported by artificial intelligence), for the purpose of processing account receivable payments and commercial follow up.

Marketing & Research information	<p>a. Identifiers – the IP address, social media handle or other online identifiers of a person, e-mail address/mobile number if used for direct marketing, and name and address</p> <p>b. Demographic data - (e.g. income, family status, age bracket, gender, interests, pets, home ownership, health, current service providers)</p> <p>c. Browser/web history data and preferences expressed through selection/viewing/purchase of goods, services and content, information about your mobile device including (where available) type of device, device identification number, mobile operating system.</p> <p>d. Social media content – blogs, posts and anything posted by an individual online or which mentioned/references an individual</p> <p>e. Analytics and profiles of the individuals based on the data collected on them</p> <p>f. Voice-enabled services (Speech-to-Text engines for search requests) without being recorded or stored by the mobile device</p>
Sensible data & biometric information	ZettaMine may also collect certain types of sensitive information when permitted by local law or with your consent, such as health/medical information (including disability status and dietary requirements/allergies in the framework of the events we organize/sponsor) or biometric information, for example as when you elect to use fingerprint authentication.
System and application access data and Internet and electronic network activity information.	If ZettaMine provides you with access to ZettaMine's systems and applications & may collect information such as System ID, LAN ID, e-mail account, instant messaging account, mainframe ID, system passwords, and internet or other electronic network activity information, including access logs, activity logs, and electronic content produced using ZettaMine's systems.
Cookies and geolocation data	Geological data is usually collected through Cookies acceptance or service-based forms.
Alumni related information	We collect the information you provide when you register as an ZettaMine alumnus/alumna or when you update your profile. Additionally, if you were previously a member of another ZettaMine alumni website, any data you submitted to that site might be automatically added to your profile at the Alumni Site. In addition, you can add a variety of additional data to your user profile, such as your postal address, current occupation, industry, education, and personal and business interests.

- **Do we use cookies or similar technologies?**

In analyzing trends, administering the website, tracking users' movements around the site, and gathering demographic information about our audience as a whole, we use cookies or other similar technologies. Browsers can be configured to disable cookies if they wish.

- **How do we share your personal information?**

Information about you may be disclosed to third parties, such as other members of ZettaMine or vendors who work on our behalf. We authorize these companies to use your personal information only as necessary to provide these services to us.

1. Fulfilling orders and delivering packages
2. Subscribed Payment processing
3. Providing customer service
4. Sending marketing communications
5. Fulfilling subscription services
6. Conducting research and analysis
7. Providing cloud computing infrastructure

- **Legal Disclaimer**

ZettaMine may be required to disclose personal data in response to lawful requests by public authorities, such as national security or law enforcement requirements. In addition, if required by law, we may disclose your personal information in certain circumstances, for example, to comply with a court order, respond to a government request, or protect our rights.

- **How do we protect your personal information?**

We protect your personal information by using a range of security measures. Nevertheless, ZettaMine cannot guarantee that third parties will safeguard your personal information similarly. It is also possible for third parties to read unencrypted information, including information sent via email. We ask our users to protect the information they provide, including their user names and passwords, from misuse through encryption.

- **If you have any questions about this policy, how can you contact us?**

Please email our Data Protection Officer at info@zettamine.com or call us at the following address if you have any questions about this Privacy Policy or the practices of the website:
